## Paving & Patios

Relax and enjoy your garden with a professionally installed patio. There are many types of paving slabs and block paving from which to choose, and the design can include decorative sets of your choice.

Matching wall surrounds or raised planting beds can be built to suit your tastes, and we can incorporate steps, if needed, to make access to your garden easier, in fact anything that will enhance your patio area.

All site work is carried out by our direct employees who have many years of experience in the design and installation of patio and paving areas.

Based near Aylesbury, our operational area includes Buckinghamshire, Hertfordshire, Bedfordshire, Berkshire and Oxfordshire, but if you have a paving or patio project in mind outside of this area please give us a call.
